### ***View From The Cliff***

by Amy Sellin, Marketing Director

Summer has officially kicked in here at the Red River Gorge Zipline! Zippers are seeing a multitude of local flora and fauna while enjoying this high flying adventure. We are pleased to welcome our new guides to the Zipline crew. Please help us welcome Billy, Brant, Derek, Elissa, Anthony, Jarod, John, Josh, Rae, BJ, and Zack! Also, we have a wonderfully skilled and experienced Course Manager, Chris Unrath, on our team. So, join all of our new and returning faces as we get geared up and ready to Zip this season.

*Zip away!*

### ***Are You Looking For Adventure?***

Are you chomping at the bit for some *Unbridled, Adrenaline Pumpin', Heart Racin' Adventure?* If so, boy do we have good news for you! The Red River Gorge is the exact place you want to be. There are outdoor activities and facilities to meet and exceed everyone's expectations. And we're gonna help you find those.

For a "base camp", there's the *Lodge at Cliffview*, a rustic, mountain getaway which blends amenities like flat screen televisions with satellite channels with scenic views and the serenity of the natural environment.

The *Red River Gorge Zipline* is right there almost at your doorstep. These five lines are some of the longest, fastest and highest in the country. Reservations are highly recommended, but we can usually handle walk-ins. Call **855-ZIP-Tour** or log onto our web site [www.RedRiverGorgeZipline.com](http://www.RedRiverGorgeZipline.com)

If rock climbing or rappelling is your idea of a day well spent, you are truly in the very epicenter of some of America's best climbing opportunities. Less than five miles from the Lodge is *Torrent Falls Adventure*. They offer unlimited day passes for the Via Ferrata Cable system and tours and classes lead by certified guides that can accommodate the entire family.

Reservations are needed. **Call 606-668-6613**

And like they say in those infomercials, Wait! There's more! Your Red River Adventure isn't complete until you've rented a canoe or kayak and paddled the Red River itself. This is another whole-family event and can include a day on the water with a shore side picnic lunch. Once again, we recommend reservations. **Call Red River Adventure at 606-663-1012.**

There is the *Natural Bridge State Resort Park* only 10 minutes from the Lodge. Here you can enjoy the swimming pool, restaurant, gift shop, a dozen trails, the Skylift, campgrounds and of course, the incredible, awe inspiring Natural Arch. Call ahead: **800-325-1710 or 606-663-2214.**

And we're not done yet. There are miles and miles of trails throughout the Gorge. Stop in the Zipline office at Cliffview for you free maps of the Gorge.

***Don't stop here. There are more attractions on page 6 (back page)***

## June Bluegrass Facts

On June 1, 1792, Kentucky was the 15th state admitted into the Union. The entire state population, 100,000, at the time was about a third of that of the city of Lexington today.

Three days later, June 4, 1792, Isaac Shelby was inaugurated as the first governor and the first legislature was empanelled.

Man O' War made his debut at Belmont Park on June 6, 1919. He has some very strange stats associated with his career. Man O' War won that 6th race by 6 lengths. He was born, lived, bred, died and was buried in Kentucky, but never raced a single time in the Bluegrass State! The most famous of all racehorses, Man O' War won every race he ran, except one. He lost to a horse aptly named *Upset*, who he had beaten 6 times!

Jim Bunning of Southgate, pitching for Philadelphia, pitched a perfect no hitter against the NY Mets, on June 21, 1964. He is the only person to pitch a no-hitter in both the American and National Baseball leagues. He is one of four Kentuckians in the Baseball Hall of Fame.

On June 24th 2010, five UK Wildcats were drafted in the first round of the NBA draft. John Wall, now playing point guard for the Washington Wizards, was chosen first overall.

## YOUR PERSONAL CREATIVITY CHALLENGE

This test does not measure your intelligence, or educational level. It is designed to give you some gauge of your mental flexibility and creativity. Few people can solve more than half of the questions on the first try. Many times the answer will come to you long after you have set the test aside. Sometimes at odd moments such as while having dinner, falling asleep, even while watching TV. The answers are self-proving; that is you'll know you have the correct answer/solution as soon as it occurs to you.

**Instructions:** Each question contains initials of words that complete the equation.  
For example: 26 = L. of the A. Solution: 26 = Letters of the Alphabet.

1. 7 = W of the A.W. \_\_\_\_\_
2. 1000 = A. N. \_\_\_\_\_
3. 12 = S. of the Z. \_\_\_\_\_
4. 54 = C. in a D. (with the J.) \_\_\_\_\_
5. 9 = P in the S.S. \_\_\_\_\_
6. 88 = P. K. \_\_\_\_\_
7. 13 = S. the A.F. \_\_\_\_\_
8. 18 = H. on a G.C. \_\_\_\_\_
9. 32 = D.F. at which W. F. \_\_\_\_\_
10. 90 = D. in a R.A. \_\_\_\_\_
11. 200 = D. for P.G. in M. \_\_\_\_\_
12. 29 = D. in F. In a L.Y. \_\_\_\_\_
13. 8 = S. on a S.S. \_\_\_\_\_
14. 3 = B.M. (S.H.T.R.) \_\_\_\_\_
15. 4 = Q. In a G. \_\_\_\_\_
16. 24 = H. in a D. \_\_\_\_\_
17. 1 = W. on a U. \_\_\_\_\_
18. 57 = H.V. \_\_\_\_\_
19. 11 = P. on a F.T. \_\_\_\_\_
20. 1000 = W. that a P. is W. \_\_\_\_\_

Summertime Recipes from Buck Thorn's  
**Blue Collar Cookbook**  
*Food For The Man  
 That Works With His Hands*

**Killer Sammich**

*This recipe is for the perfect sandwich to take fishin'. It is all you'll need for most of the day. If you cut it diagonally, you'll be able to hold and eat it even when the action is hot and heavy. You may want to pack a couple of cold ones also. Maybe some corn chips too.*

*A couple slices of watermelon, potato sticks and jumbo Reese's Crunch bar wouldn't hurt either.*

**Description:** A gut slamming sandwich

**Ingredients:**

- Two heels of Wonder bread
- Two thick slices of all beef baloney
- Lots of Real Mayonnaise
- Lots of your favorite (Crunchy?) Peanut Butter
- 1 leaf of Lettuce
- 6 Green Olives
- 2 - 4 slices of cheese - American, Colby, cheddar or Swiss works great. Pepper cheese is best for this!

**Directions:**

Toast the two slices of bread, slather on the mayonnaise, then the two slices of baloney. Spread the peanut butter on the baloney, put the leaf of lettuce on top of peanut butter. Add the sliced green olives and cheese slices. (Remember to remove the bread from the toaster before you apply the ingredients). Cut diagonally so it'll fit into your pie hole. Serve with chips and pickle and a glass of buttermilk. Or a cold one if you're out drownin' worms.

**Reunion Punch**

*Ah, "Summertime and the livin' is easy!" Summertime is also Reunion Time; family, school, and military reunions and picnics.*

*Besides putting on successful airs, sucking in the guts and losing hair, (A little rhyme!) reunions all have another thing in common - punch. Unfortunately some punches lack, well... A punch! This'll fix that if done properly.*

**Description:**

A Punch Drunk at Reunions! No, no. Not a punch drunk, but a punch that is drunk (as in past participle of drink, you know, drunked).

**Ingredients:**

- 3 Cans (6 oz each) frozen limeade
- 3 cans (12 oz each) apricot nectar
- 1 can (46 oz) pineapple juice
- 3 bottles ( 2 liters each) Ale 8, ginger ale, Squirt, 7-Up, Sprite, Sierra Mist (made with sugar, not corn syrup!) Or any combination of the above

**Directions:**

Mix it all up in a big ole bowl or bucket. Or tub. Make sure all is icy cold, maybe even freeze a couple of the bottled sodas and cut the plastic off and add the chunk to the bowl. You could make an ice ring of pineapple slices by putting them in a ring mold and adding ginger ale or 7-Up, let it freeze then float in the punch.

This will serve about 35 - 50 depending on whether ole what's-his-name shows up.
